

Hold the date! Thursday 22nd June 2017

In conjunction with Primary Care Respiratory Society-UK a Bespoke Respiratory Leadership Programme for CCG Clinical and Commissioning Leads for Respiratory

Venue: Jurys Inn East Midlands Airport, Castle Donington, Derby DE74 2SH

Time 9.30am to 4.30pm includes coffee, tea and lunch

Who should attend?

Clinician and commissioning manager leads for respiratory within CCGs are encouraged to attend.

Attendance includes PCRS-UK membership for a year offering access to a wide range of primary care based resources.

Hosted by primary care practitioners and involving thought provoking presentations and group work this is a practical day geared around the issues we all face with respiratory care and looks at practical applications in practical settings whilst addressing the national and local agenda, including the STP plans. We hope that this will be fun informative and ultimately useful.

Full agenda to follow.

Please join us! Reserve a slot now!

Numbers are limited to 25. Until 30/4/17 one space per CCG reserved. After that – spaces will be allocated wider. Please respond to sheila.darji@nhs.net with the name of first delegate attending (and you can request a place for a second delegate

Invitation to attend sent on behalf of Jane Scullion and Charlotte Bolton, Joint Clinical Leads of East Midlands Respiratory Programme. If you would like to find out more about the Respiratory Leadership Programme please email jane.scullion@uhl-tr.nhs.uk
